RE: Case Name: Timothy & Sherri Woody
Case No. 09-81247

This letter is to notify you that the Clerks Office is in receipt of a document from you filed on behalf of a corporation. If the Judge hears a matter related to your document, the Judge may refuse to allow you or anyone other than a licensed attorney to speak on behalf of your corporation. These procedures reflect Federal Court law, which allows corporations to appear in Federal Courts only through licensed counsel, and North Carolina state statute (NCGS § 84-4), which forbids anyone other than a licensed attorney to prepare legal documents on behalf of a corporation.
